Products that perform...By People who care

**Magnetic Bearing Variable Speed Centrifugal Chiller**

**Water-Cooled Centrifugal Chiller**

**Magnetic Bearing Chiller** is a maintenance free technology that doesn't use lubricant anymore but purely controlled by electrical system thus reduces repair cost in the process.

**Water-Cooled Screw Chiller**

**Air-Cooled Screw Chiller**

**Variable Speed Water-Cooled Screw Chiller**

**Distributor:**

**Thai-Phill Services Co., Ltd.**
